

Call To The Nations

Dear Friends,

These last several months have been a time of transformation for us as we approach our next step of moving to Ecuador. We do not yet have a date set but our goal is within the next six months.

Twice a year we spend a week in prayer & fasting for our ministry to Ecuador. Six months have passed and the dates for our next week of prayer is August 15th to the 21st. There is no way we can accomplish all that God has set before us on our own, and we would be honored if you would join us in this week of prayer. God's hand has been so clearly seen during these times of prayer, and we can't wait to see what He will do in this ministry and in our own personal lives.

The National Flag of Ecuador

Prayer Points

- Pray that our relationships and trust as a family would be even stronger so that we can operate as a team. Pray for the peace of our children as we walk through this time of transition.
- That God would give us wisdom in the use of our time and our finances.
- Pray that our hearts will be open to God so that we may learn all that He desires to teach us.
- For a continued unity between us, our Foursquare leaders, and our leaders in Ecuador.
- Pray that God would bring the people who will stand alongside us in prayer and financial support as we reach out to the people of Cuenca, Ecuador.

May the Lord bless you and keep you (Numbers 6:24-26),

The Englands,
Michael, Jennifer, Nastassja, and Michael Jr.
