

October Prayer Calendar

October 4th - 10th

The Southwest District Conference is being held in Anaheim October 5th to the 7th. We will have a booth at the event and also will be presented to pastors at a missions workshop. Pray for new supporters.

October 11th - 17th

We are preparing a mission statement and church plan to present to the Foursquare board in Ecuador at the end of the month. Please pray that we will hear God clearly and be able to vividly explain what we believe He has called us to do.

October 18th - 24th

We are meeting with the Ecuadoran board next week to discuss our initial plans upon arriving in Ecuador. Pray that God would prepare us, the board, and our FMI leaders to hear from Him and that the plans which are made would be according to His will.

October 25th - October 31st

We are flying to Guayaquil, Ecuador for the Foursquare National Convention on October 29th. Our kids are staying with their grandparents here in California. Please pray for peace and safety for our family.
